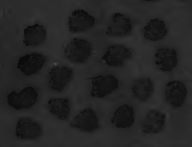
NEW HOMOGENIZED* Gaines Meal!



Actual Size Granules

Uniform Nourishment Guaranteed! *Gaines Homogenized Meal is always uniform—not only from package to package, but from the top of the package to the bottom. The reason? *Every single granule contains every ingredient—every food essential!* And recent nutritional studies indicate that such uniformity means more effective nourishment for your dogs.

Easier Feeding—Moist or Dry! Feeding Homogenized Meal moistened, you'll find that liquid is absorbed quickly and evenly. Today's Gaines can also be fed dry—just as it comes. For self-feeding, there's nothing to match it.

High Palatability, Too! Dogs definitely prefer this new form of Meal . . . its taste and aroma . . . and the texture that doesn't get pasty or sticky or pack down in the feeding pan. There was never a dog food more thrifty to feed.

And It's Guaranteed against Infestation!
